Detailed Description

Detailed Description

... death, a minimum amount is available for the owner's heirs.

The amount of insurance **guarantee payments**, if any, is determined by reference to the account owner's deposit and withdrawal activity...

...covered assets and may be affected by the investment performance of the assets. The insurance **guarantee payments**, when made, may be level each year or may vary according to a formula such as a fixed percentage increase each year or may be...

...Price Index. The payments may be higher in the early years after retirement to "bridge" **income** from working years to the time when Social **Security** or pension plan payments commence. The payments may also be linked to the **performance** of an **asset** portfolio or financial market index, such as commonly reported stock indexes.

Although the account owner...

...account his/her assets are held in, certain restrictions may be placed on the covered **asset pool**. These restrictions may take the form of a maximum percentage of the covered asset pool...
